

## ed and ing adjectives bluffing games

### ed and ing adjective statements coin bluffing game 1

*Flip a coin and make a true or false statement using this kind of adjective:*

- heads = use an -ing adjective
- tails = use an -ed adjective

*Perhaps after questions to find out more, your partner will guess if your statement is true.*

### ed and ing adjective statements coin bluffing game 2

*Secretly flip a coin and make a true statement using an -ed adjective or -ing adjective if you got heads or a false statement using an -ed or -ing adjective if you got tails. After asking questions, your partner will guess if your statement was true or just imagination.*

### ed and ing adjective statements coin bluffing game 3

*Secretly flip a coin twice to decide both what kind of adjective to use and if you should tell the truth or not (combining the two games above). Answer your partner's questions about what you said, then see if they guess correctly if your statement was real or just made up.*

### ed and ing questions and answers coin bluffing game

*Listen to your partner's Yes/ No question, flip a coin and answer "Yes" if you got heads or "No" if you got tails, even if that isn't true. After asking follow-up questions, they will guess if your "Yes" answer or "No" answer was true or not.*

#### Suggested yes/ no questions with -ed and -ing adjectives

- Did you feel... the first/ last time that you...?
- Did you feel... when you heard about...?
- Do you (always/ usually/ often/ sometimes/ ever) feel... when...?

### ed and ing adjectives sentence completion bluffing game

Fill the gaps below with a mix of true and false information. Read a completed statement out, answer your partner's follow-up questions (continuing to lie if it was a false sentence), then see if they can correctly guess if it was true or not.

I rarely feel \_\_\_\_\_.

I often feel \_\_\_\_\_.

People sometimes say that I am a(n) \_\_\_\_\_ person.

The most \_\_\_\_\_ that I have ever felt is \_\_\_\_\_.

I think \_\_\_\_\_ is more \_\_\_\_\_ than \_\_\_\_\_.

I imagine that \_\_\_\_\_ would make me feel \_\_\_\_\_.

Sunday is the most \_\_\_\_\_ day of the week for me.

\_\_\_\_\_ makes me \_\_\_\_\_.

I used to be more \_\_\_\_\_ by \_\_\_\_\_ than I am nowadays.

Many people find \_\_\_\_\_ to be \_\_\_\_\_, but not me.

I think the most \_\_\_\_\_ adventure sport would be \_\_\_\_\_.

I think that \_\_\_\_\_ is a(n) \_\_\_\_\_ subject.

I was \_\_\_\_\_ by \_\_\_\_\_ last week.

\_\_\_\_\_ would be a \_\_\_\_\_ job for me.

The taste of \_\_\_\_\_ is \_\_\_\_\_ for me.

The sound of \_\_\_\_\_ makes me feel \_\_\_\_\_.

\_\_\_\_\_ at work is really \_\_\_\_\_, in my opinion.

\_\_\_\_\_ is not as \_\_\_\_\_ as I expected.

Ask about any sentences which you were not sure how to complete, working together as a class to make example sentences and/ or guessing if the teacher's example is true or not each time.
