

Clothes possessive S drawing game

Instructions for teachers

Photocopy and cut up one pack of cards per class or group of three or four students. Draw a boy, girl, teddy, cat, rabbit and teacher on the board or large piece of paper, or ask each group to do so. Students take turns making sentences from the cards so that they can add those things to the picture. Alternatively, they can make sentences for other people such as their teacher or their partners to draw. When they finish, they can describe the finished pictures and/ or make a similar pack of cards for other students to use.

Cards to copy and cut up

| Draw | | | |
|--------------|-------------|---------------|---------|
| The boy's | | The girl's | |
| The teddy's | | The cat's | |
