

**Collocations with make and do giving advice practice**

*Choose one of the problems below and ask your partner's advice on what to do, then react to their recommendations. Your teacher will tell you if you should use the complete sentences version or the gapped version of the worksheet.*

**Full sentences version**

I always make a mess when I cook.

Nobody else in my house ever does the housework.

I forgot to do my homework last night and I need to be at school in an hour.

I want to make a good impression on my boss.

I've found out that someone who I do business with has connections to the mafia.

When I went on a blind date, the other person would change the topic every time I asked them what they do for a living.

My company tell me that I don't need to do overtime, but then give me so much work that I can't possibly finish it within my normal working hours.

I had a big fight with my girlfriend/ boyfriend and now I need to make it up them.

I did my best but I still did really badly in my last Spanish language test.

I want to find a job where I can really make a difference.

I did some research on hotels in Bangkok, and all of them have at least some bad online reviews.

My company has made a large loss over the last three years so I'm worried that they might start making people redundant soon.

I need to tell someone in my team to improve their work, but I don't know how to make myself clear without them becoming angry.

My son wants to do another degree, but I think he should just get a job instead.

I could do with some help with my project, but everyone else is busy with their own projects.

My daughter is seven years old and she still doesn't know how to do up her own shoe laces.

Artificial intelligence will probably do away with my job in the next twenty years.

A thief made off with my mobile phone.
