

Colours, numbers and classroom objects pick and draw game

Make descriptions from the cards below, e.g. "two red teachers". You can then draw those things on a big picture of a classroom. Continue picking cards and drawing on the same picture until your teacher stops you.

Describe your picture and other people's pictures, then say which picture you think is best and why.

Brainstorming stage

First of all without any help, write suitable words in the spaces below.

Numbers**Colours****Things in classrooms**

You can check the spelling of three words above. Then swap with another group and check their words. They get one point for each word which is in the right place and has the correct spelling.
