

### **Days and dates true or false game**

*Without looking below, listen to the thing that your teacher says and show if you think that it is true (= right) or false (= wrong) by:*

- Running and touching the walls with true and false written on them
- Slapping the true and false cards on the table
- Holding up the true card or the false card that you have been given
- Holding up your right hand to be mean true or your left hand to mean false

*Your teacher will tell you if you can look at a calendar to help or not.*

-----fold, cover or cut-----

*Write T for true or F for false next to each of the sentences below.*
