

Family members trivia quiz
family vocabulary practice

Choose one of the statements on your worksheet and read it to your partner with at least two alternative endings, e.g. "King George the Third of England was King George the Second's son/ grandson/ great-grandson". You get one point for wrong answer that your partner gives.

Ask about any you can't understand, then switch worksheets and do the same.

Without looking below, brainstorm family vocabulary into this table.

Male relations	Female relations	Both

Look below for ideas, brainstorm more, then compare as a class.
