- Body language and gestures in presentations
- Using your voice in presentations
- Dealing with questions in presentations
- Ending presentations
- Cultural differences in presentations

Switch roles, listen to your partner talk about a topic from above, then ask questions.

Ask about any topics which you don't understand, can't think of what to say about, or would like to share opinions and advice on, discussing each as a class.

Discuss preparing presentations. What would your first step, second step, etc be?
