Second conditional movies discussion

Choose sentence starters from below and try to make sentences that you both agree with, skipping any which you don't understand for now.

Useful language for discussing the sentences
I agree./ Me too./ So… I.
Really? I…

Share some of your sentences and see if other people in the class agree.

Ask about anything above which you don't understand, trying to make sentences that other people in the class agree with each time.

Why do all the sentences have second conditional? Could any also be okay in other tenses such as first conditional?

Change partner. This time without any help, try to make other second conditional sentences that you both agree with, starting with related topics such as TV if you can.

- If all cinemas disappeared
