

Past Simple sentence completion games

Play the game or games that your teacher tells you to.

Past Simple sentence completion guessing game

Fill the sentences below with true information, then read out **only the parts you have written** for the other students to guess which sentence you wrote those things in.

Past Simple sentence completion bluffing game

Fill at least half of the sentences below with a mix of true and not true information. Read out your sentences for the other students to try to guess which are true, perhaps after asking you for more information.
