

### Times- Discuss and Agree

Make sentences about what times people do things you agree are true like those below.

**Useful phrases for discussing the sentences**  
 I agree. Let's write that down.  
 I think it should be about more people/ fewer people/ more often/ less often.  
 I'm not sure if that's true. I would say that...

all almost all most many some (a) few no	(top/ middle) managers employees/ staff new recruits (admin) clerks office workers engineers people school children young children teenagers old people	wake up get up get dressed have breakfast leave home take the train get to work get to... start work start... have meetings read emails read... write emails write... speak... are busy take a break relax have a snack have lunch do overtime finish work finish... leave work leave... take the bus have a drink get drunk chat with... get home have dinner get undressed have a bath have a shower watch TV go to bed go to sleep	at about/ around before after between	... o'clock half past... ... past... ... to... ...	in the morning in the afternoon in the evening at night a.m. p.m.
---	---	--	--	--	--

Share sentences with other students and see if they agree.
